BIG IDEA

Before the Trip

What kinds of activities can you do to prep the students for the learning that will happen at the Museum?

At the Museum

Learning Objective:

Exhibit(s) of Focus:

What open-ended questions could you use help students get at the desired learning?

How could you create an activity and/or graphic organizer to support the objective?

After the Trip

What kinds of activities can you do to have students reflect on what they learned/experience? How can they share what they have learned?
