

# SPECIAL NOTICE

## TO PATRONS OF THE PEGGY NOTEBAERT NATURE MUSEUM GREEN CITY MARKET

On **Saturday, April 24, 2010**, the Chicago Area Runners Association will hold the “Lakefront 10 Miler” race on the lakefront running path. The race course will cross the entrance and exit to the parking lot on Canon Drive, immediately east of the Museum.

The Race begins at Montrose Harbor at **8:00 a.m.**, Runners are expected to cross the entrance and exit to this parking lot from approximately **8:30 a.m. to 9:45 a.m.** Between these hours, there will be delays in entering and exiting this parking lot. For this reason, we **strongly** urge you to:

1. Exercise **extreme caution** in entering or exiting this lot.
2. If your schedule requires you to have to enter or leave the area *rapidly* during the hours listed above, **use a different location to park your vehicle on April 24<sup>th</sup>**.
3. If you do choose to park your car in this lot, be prepared to take direction from designated personnel assigned to that location. They are there to help both runners and vehicles cross that point **safely**.

If, in the judgment of the race staff member, there is a satisfactory “interval” between runners in the race, that person will direct your car through the exit. But, expect this to be a “**one car at a time**” process.

***Spectators are very welcome.*** The race is fun to watch. Feel free to find a spot next to the path and applaud the runners as they pass. Leading the race will be some of Chicagoland’s most competitive runners. The runners that follow will appreciate the support and encouragement that you may offer!
